

Because the turf is not regenerated like natural grass, anything left on the turf remains there, posing health and safety hazards as well as general degradation of the turf. **To preserve the quality of the turf and provide a clean and healthy environment, the following are prohibited:**

- Stakes, spikes or other pointed objects, including stiletto-type heels.
- Dragging of equipment. All equipment must be lifted when moved or have turf wheels attached.
- No individual leg furniture is permitted without a flat base on the bottom. This goes for tents, chairs, etc. If there is not a base to the legs, please make sure that you provide something such as Masonite or wood to place underneath so it does not puncture.
- Sharp objects such as tent stakes or corner flags
- Unauthorized vehicles, bicycles, scooters, skateboards or in-line skating
- RC cars, planes or toys that use fuel
- Lighter fluid or other gasoline type products/propane tanks
- Open flames including grills, portable heaters

**FAILURE TO COMPLY WITH THESE RULES WILL RESULT IN IMMEDIATE CANCELANATION OF PLAZA RESERVATION.**
